Triangle Island

a most inhospitable site !

Race Rock

VAE 1949
Neil McTavish, Arnour Pyke, Bruce Restall, Herb Kolt

Rigging a topmast on a standing fir tree at Alert Bay on the BC coast for the Canadian Government Radio Branch, 1915. H. Daws, also electrician and Fat Rock riggers holding ropes. The rest were members of construction gang. Carpenters, cook and gang for clearing land and erection of building. Mast lasted for about 15 years and was later replaced by a standard three piece mast.

I. A. Stephenson

Alert Bay BC VAF 1912

Digby Island - 1914

Stevie (LWS) and Fred Taylor with construction crew when building Bule arbour (Around 1920)

Bull Harbour, BC, VAG - 1921
